

PERMISSION TO REGISTER: BIOLOGY 296 - Introduction to Research

1 credit hour; repeatable up to 2 credits total.

Prerequisite: BIOL 102, 112, Instructor permission. Biology Core highly recommended.

Students will begin reading the literature in the field of their mentor, conduct experiments designed by the mentor, and give a presentation on their work or studies. **Learning outcome:** Students will develop critical reading skills and become familiar with basic lab techniques in the area of their mentor.

Please print clearly.
