Released in 1968, at the height of American involvement in the Vietnam war, *The Green Berets* follows the story of Col. Mike Kirby, posted in South Vietnam with two handpicked teams of Special Forces troopers. Their tasks are to man a base camp, and form a counterguerilla unit against the Viet Cong. This pro-military anti-communist film was part of the US government's effort to raise domestic support for involvement in this tumultuous conflict.

Join us for the screening of *The Green Berets*, starring John Wayne and Jim Hutton. The film will be followed by a post-screening discussion with Prof. Ted Karamanski.
