

## IPS INTERNATIONAL STUDY SCHOLARSHIP APPLICATION

IPS has a limited amount of scholarships funds to support international study. Priority for these funds is given to IPS degree-seeking students attending IPS international study programs. These awards are available to students in recognition of exceptional promise as demonstrated by a record of outstanding achievement in previous leadership initiatives and academic work. Awards cover a portion of for-credit tuition for a student's international study experience. Exact amounts will be determined by the IPS Scholarship Committee. Students will be notified prior to the start of the international program.
