

## LUROP Recommendation Form (B)

### **(For students applying for the Biology Research, Biology Summer Research, Carbon, Johnson, IES, Mulcahy, Provost, Social Justice, or Rudis Fellowship)**

Please complete this LUROP recommendation form as a proposed research mentor, paying particular attention to the research fellowship as a learning opportunity for the student, to the potential benefit to you as a mentor, and to the strength of your working relationship with the student. Proposed mentors are encouraged to explore the [LUROP website](#), including [this webpage](#), for ideas to ensure the proposed project will be mutually beneficial.

**Applicant's Name:**

**Proposed Mentor's Name:**

**Mentor's Department:**

**Mentor's E-mail:**

**LUROP Programs:** Please select all of the following fellowships for which your student is applying.

Biology Research

Biology Summer Research

Carbon Fellowship

Johnson Scholarship

IES Fellowship

Mulcahy Scholarship

Provost Fellowship

Social Justice Research Fellowship

Rudis Fellowship

**Ranking:** If recommending multiple students for LUROP Fellowships, how would you rank this student?

        out of                  students that you are recommending for LUROP Fellowships

Please explain briefly.

**Project:** Please offer a brief description of the student's proposed project including mutually beneficial goals, timeline, and financial requirements. If student is applying for programs with different timelines and financial awards, address how the project would fit each.

**Recommendation:**

How long and in what capacity have you known this student, and how highly would you recommend them in terms of merit and the potential for growth through this fellowship?

**Roles and Responsibilities:**

Please offer a brief description of what roles and responsibilities you will undertake as fellow and mentor, and how this project may include others, if applicable.

**Additional Information:**

If you have any additional comments, please make them here.
