

**COLLEEN MARIE KORDISH**  
[ckordish@luc.edu](mailto:ckordish@luc.edu)

**EDUCATION**

---

2015 – 2019	Loyola University Chicago, PhD	Chicago, IL
2015 - 2018	Measurement & Quantitative Methodologies Certificate Loyola University Chicago – School of Education <i>(Linear analysis, Multivariate statistics, categorical data analysis, hierarchical linear modeling, meta-analysis)</i>	
2013 – 2015	University of Phoenix, MSN	Phoenix, AZ
1991 – 1993	East Carolina University, BSN	Greenville, NC
1987 – 1990	University of Akron (undergraduate studies)	Akron, OH

**PROFESSIONAL EXPERIENCE**

---

2018 – Present	Assistant Professor Loyola University Chicago Marcella Niehoff School of Nursing Health Care Administration Graduate Program – see Teaching	Chicago, IL
2014 – 2018	Loyola University Chicago Research Nurse/Data Analyst for Sunshine II Study – National Institute of Health R01 Trial Conducted psychometric analysis of study instrumentation, descriptive and inferential analysis of study data	Maywood, IL
2004 – 2014	Advocate Good Samaritan Hospital Cardiovascular Outcomes Coordinator Developed, implemented, and monitored a quality improvement program of a Cardiac Service Line (Cardio- diagnostics, Cardiac Cath lab, Electrophysiology lab, Cardiac Outpatient unit, Cardiac Rehab, and Cardiac Surgery). Other job responsibilities included community outreach efforts such as the development of a 12-lead EKG educational program for 27 fire districts in Illinois Region VIII EMS system and a planned program of cardiac community education and events designed to maximize community exposure/interaction of clinicians and hospital services. Created exemplar rapid heart	Downers Grove, IL

attack care program that garnered the 2010 National Malcolm Baldrige Quality Award.

2000 – 2004	Advocate Good Samaritan Hospital Staff Nurse and Performance Improvement specialist – Cardiac Catheterization/Electrophysiology Lab	Downers Grove, IL
1998 – 1999	Advocate Lutheran General Hospital Staff Nurse – Cardiac ICU/Medical ICU	Park Ridge, IL
1997 – 1998	Cleveland Clinic Foundation Staff Nurse – Cardiac ICU/Heart Failure ICU	Cleveland, OH
1996 – 1997	Vidant Medical Center Staff Nurse – Cardiac ICU	Greenville, NC
1993 – 1996	Vidant Medical Center Staff Nurse – Cardiac Surgery/Telemetry Unit	Greenville, NC

#### **LICENSURE/CERTIFICATIONS**

---

1994 – Present	Registered Professional Nurse License 041-311800 State of Illinois
2015 – Present	Certified Nurse Educator (CNE) – National League for Nursing
2020 – Present	Certified Associate in Project Management (CAPM) – Project Management Institute

#### **RESEARCH**

---

2021 – Present	Necessary condition analysis of length of stay for total knee and total hip arthroplasty: Primary Investigator
2017 – 2019	<u>Dissertation</u> : The effect of social support on health and quality of life for women with type 2 diabetes and depression: An application of necessary condition analysis.
2008 – 2014	<u>U.S. Endurant Aortic Stent Graft Study</u> : Served as Research Coordinator for this five-year device implantation study. Responsible for monitoring and follow-up of 23 study subjects. Primary Investigator: Michael Tucheck, DO. Study Sponsor: Medtronic. Study closure: 2014. Funding: Medtronic

- 2011 – 2014      Vitamin D in Shift Workers: Descriptive study seeking to determine differences in Vitamin D levels of hospital workers. Primary Investigators: Diane Wallis, MD, C. Kordish, RN. Study Coordinator: C. Kordish. Study Closure: 2013. Funding: Grant from Advocate Health Care’s Good Health for Good Life Program – \$2500
- 2011 – 2013      Nursing Research: Functional Status and Hospital Readmission: Responsible for study subject recruitment, monitoring and follow-up of study subjects. Primary Investigators: C. Kordish and P. Reu. Research Coordinator: C. Kordish. Study Closure: 2013. Funding: Advocate Good Samaritan Hospital

## **TEACHING**

---

- GNUR 360 – Nursing Research – Undergraduate/ABSN – 3 credits – Spring 2020; Fall, 2020; Spring 2021
- CMAN 448 – Program Planning and Marketing in Healthcare – 3 credits – Graduate – Spring 2021
- CMAN 435 – Health Policy and Healthcare Delivery – 3 credits – Graduate – Fall 2020
- CMAN 445 – Health Care Outcomes – 3 credits – Graduate – Fall 2020
- CMAN 434 – Health Program Planning and Evaluation – 3 credits – Graduate – Spring 2020; Spring 2019
- HSM 310 – Healthcare Project Management – 3 credits – Undergraduate – Spring 2020; Fall 2019
- HSM 315 – Quality and Performance Improvement – 3 credits – Undergraduate – Spring 2019; Fall 2019
- CMAN 468 – Advanced Concepts in Health Systems Management – 3 credits – Graduate - Fall 2018; Fall 2019
- CMAN 415 – Advanced Practice Nurse Practicum – Infection Prevention – variable credits – Graduate – Summer 2019; Spring 2019; Fall 2018

CMAN 417 – Advanced Practice Nurse Practicum – Health Systems Management – variable credits – Graduate – Summer 2019; Spring 2019; Fall 2018

### **SERVICE - COMMITTEES**

---

Chair of the Marcella Niehoff School of Nursing Academic Program Evaluation Committee – Voted position, 2020 to present.

Purpose: Design the evaluation plan structure, identify sources of information, and coordinate the implementation of the academic plan.

Functions:

1. Establish a comprehensive academic evaluation plan for the school of nursing.
2. Monitor the implementation, results, and actions taken based on evaluation data.
3. Undertake periodic collaborative review of the evaluation plan.
4. Establish the process associated with student evaluations of nursing courses and faculty.

Member of Executive Committee – Faculty representative to MNSON Administration. – Voted position, 2020 to present.

Member of the Faculty COVID Advisory Committee for Loyola University Chicago. Chaired by Jo Ann Rooney, President of LUC and Norberto Grzywacz, Provost and Chief Academic Officer of LUC. April 2020 to present.

Graduate Student Member of the Marcella Niehoff School of Nursing's Dean Search Committee – 2018.

### **SERVICE – MENTOR**

---

2021	Graduate Student– Comprehensive Exam Paper – <i>Orthorexia</i>
2021	Graduate Student– Comprehensive Exam Paper – <i>The role of telemedicine as a promising tool for the underserved geriatric population.</i>
2020	Graduate Student – Comprehensive Exam Paper – <i>Effective leadership theories on preventing nurse manager burnout</i>
2019	Graduate Student – Comprehensive Exam Paper – <i>Breast cancer arm lymphedema: The impact of a modified radical mastectomy and best practices to improve quality of life</i>
2018	Undergraduate Nursing Student -_Provost Scholar - <i>Education and outcomes in women with diabetes: An investigation of racial disparities.</i>

---

Interviewed, St. Joseph's Academy, Alumnae News Spotlight, December 2020.

Interviewed, Heart Disease, Salt Intake. Advocate Health eNews, May 17, 2013.

Interviewed, Heart Disease, Acute Myocardial Infarction. Daily Herald, February, 2010.

Interviewed, Health Careers, Cardiac Rehabilitation. Chicago Tribune, November 24, 2010.

Interviewed, Heart Disease, Acute Myocardial Infarction. West Suburban Living, January, 2009.

Interviewed, Acute Myocardial Infarction, Door to Balloon Time. Nurse.com, April 23, 2007.

Interviewed, Acute Myocardial Infarction, Door to Balloon Time. Chicago Tribune, November 14, 2006.

Interviewed, Core Measures, Cardiac Rehabilitation, Heart Disease. RN.com, 2006, March.

Interviewed, Heart Disease, EKG Education. Nursing Spectrum, April 24, 2006.

Interviewed, Acute Myocardial Infarction, Door to Balloon Time. Health Advocate Magazine, November, 2005.

Interviewed, Acute Myocardial Infarction, Door to Balloon Time. Institute for Healthcare Improvement Annual Newsletter, September, 2005.

Interviewed, Early Ambulation after Cardiac Catheterization. Health Advocate Magazine, November, 2004.

### **PROFESSIONAL/ACADEMIC AWARDS**

---

2018	Alpha Sigma Nu induction – Jesuit Honor Society
2017	Sigma Theta Tau induction – Nursing Honor Society
2008	MVP Award at Advocate Good Samaritan Hospital for Partnership: Achieved consistent 100% results in CHF Core Measures using a team approach solution.
2006	Chicago Nursing Spectrum Excellence Awards – Finalist for Clinical Care.
2005	Honorable Mention by Institute for Healthcare Improvement in annual international newsletter as resource for STEMI Door to Balloon initiatives – Visited by the national 100,000 Lives tour.
2003	MVP Award at Advocate Good Samaritan Hospital for Compassion: A PCI was going to delay initiation of a woman's breast cancer treatment: Result after nursing intervention, her breast cancer treatment plan was revised so there was no delay in her cancer care or heart care.

---

**PROFESSIONAL SERVICE**

---

2015	Masters Practicum Project: Insulin Transition Protocol Education – Riverside Medical Center, Kankakee IL
2014	Instructor – Critical Care Paramedic Course
2005 – 2014	Official Speaker – American Heart Association
2013	Creator and presenter: CME presentation for physicians– Appropriate Use Criteria for Percutaneous Coronary Intervention (PCI).
2008 – 2013	Writer/editor for Advocate Good Samaritan Hospital Cardiac Services internet websites.
2008 – 2011	Instructor – Heart Smart for Women Classes – 12-week grant funded program supporting women and heart disease
2003 – 2014	Creator and presenter of 12-lead EKG Educational Class for Illinois Region VIII EMS – four revisions of class content.
2012 – 2013	Writer – sections of ANA Magnet Document for Advocate Good Samaritan Hospital – awarded Magnet 2013
2008 – 2009	Writer – sections of ANA Magnet Document for Advocate Good Samaritan Hospital – awarded Magnet 2009
2006 – 2014	Planner/Organizer for all Cardiac Services community outreach events for Cardiologists/APN/RN at Advocate Good Samaritan Hospital.
2006 – 2013	Advocate Good Samaritan Hospital’s Annual Heart Fair – Planner/Writer/Organizer of Annual Heart Fair routinely serving 800 community members, including ~300 blood draws for lipid panels, glucose levels with on-site interpretation/consultation by cardiac nurses. Coordinated 50 hospital staff from planning to completion of Heart Fair. Annual budget: \$40,000.
04/2007	Coordinated Advocate Good Samaritan Hospital staff in partnership with Young Hearts 4 Life to perform over 3,000

12-lead EKG's on students at Downers Grove High Schools evaluating students for possible risk of sudden death.

10/2006

Planner/Writer/Organizer for Advocate Good Samaritan Hospital and Midwest Heart Foundation's Cardiac Alert Conference, Lombard, IL.

2005 – 2007

Planner/organizer for Advocate Good Samaritan Hospital's American Heart Walk – increased annual donations for the AHA from \$15,000 to \$55,000 and hospital staff attendance from 100 to 400.
